

2nd June 2009

Ref: GreenPass

To celebrate Sandhurst Club's fifth birthday Links Living has arranged a special privileged offer for all residential members of Sandhurst Club to gain access to plants and landscape supplies at wholesale prices.

Your special Sandhurst Club GreenPass Card with information on its use can be collected from Membership Services.

We suggest you retain the card and information in a convenient location as the arrangement requires the card to be presented to purchase at wholesale prices.

Gardening is a major activity at Sandhurst Club and the Club is looking to establish the Sandhurst Gardening Club to provide some regular social and garden related events for residents and family and friends who are keen gardeners. With a seasonal gardening newsletter also envisaged.

If you are interested in joining the Sandhurst Gardening Club and taking part in social activities such as the 'Wine and Roses Lunch' or group visits to special gardens, please register your interest with the Club by emailing gardenclub@sandhurst.com.

The closest GreenPass Plantmark Centre is at 10 Northey Road, Lynbrook - Melways Reference 96 C11.

We encourage you to visit the Plantmark Centre and take advantage of purchasing your garden needs at true wholesale prices with your Sandhurst GreenPass.

Yours sincerely

Bill Laird
General Manager
Sandhurst Club
