

JUNIOR GOLFERS PROGRAMME

As part of Sandhurst Club's commitment to the development of junior golf, the Junior Golfers Programme has been developed. Membership of this programme will initially be offered to children of Resident and Golf Members at Sandhurst Club. Children of non-Sandhurst Club Members may become Juniors Golfers at the discretion of Management.

Junior Golf Programme members will be provided with golf handicap facilities and will be eligible to participate in club competitions subject to Club Management approval.

Playing rights will be made available subject to tee time availability from Monday to Friday and specific times as determined by Club management on Saturday, Sunday and Public Holidays.

An annual fee is applicable to participate as per the schedule below and payment options similar to golf membership subscriptions will apply.

Annual subscriptions for the financial year beginning 1st July are:

(All subscription fees include GST)

- 12 – 14 years of age - 10% of full Individual annual subscription - \$275.50
- 15 – 17 years of age - 20% of full Individual annual subscription - \$551.00
- 18 – 20 years of age - 30% of full Individual annual subscription - \$826.50
- 21 – 23 years of age - 50% of full Individual annual subscription - \$1377.50

The age category is determined by the age of the applicant as at the 1st July of each membership year. Thereafter Junior Golf Programme members must elect to go to a full golf membership category. Applicants will be assessed by the Junior Golf coordinator as to their level of proficiency and knowledge of the game. Only players that have been approved by the Junior Golf coordinator may play without being accompanied by an adult Golf Member. Once approved, members of the Junior Golf Programme will be issued with a Junior Golf Programme ID card and become eligible to submit handicap scorecards for Golf Australia handicaps and subsequently be eligible to enter club competitions.
