

GREENPASS

YOUR TICKET TO WHOLESALE PLANTS AND GARDEN PRODUCTS

INTRODUCING GREENPASS TO ALL SANDHURST CLUB HOME OWNERS

As a reward for purchasing your new home, Plantmark together with Sandhurst Club would like to present you with a GreenPass Card.

This Card will allow you to access Plantmark, Australia's largest wholesale nursery group, so you can get started on your new garden with the cost savings from trade prices. Simply present your Card at any Plantmark location and you'll be entitled to purchase from a wide range of garden products and landscaping supplies. It's that easy.

Plantmark Trade Markets are large in size and stock over 30,000 species of plants. We have a wide range of natives, exotics, seedlings and vegetables, fruit trees, advanced trees, and gardening products such as mulch, tools, pesticides, potting mix, compost, pots, sculptures and garden furniture.

Our plant suppliers include local growers as well as interstate growers from New South Wales, South Australia and Queensland. Plantmark is a wholesale market environment with minimal staff available so it's a good idea to plan your garden layout before you arrive.

We have an online catalogue that you can access to search for stock locations within the market before you arrive. For instructions on how to use this service call 1300 851 770.

DELIVERY & ORDER SERVICE

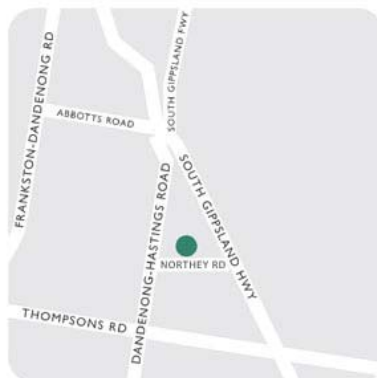

Plantmark have a customer order and delivery service available to GreenPass Card Holders. Please note for large orders and delivery the minimum spend per order is \$1,000. Delivery is calculated according to your order amount and delivery location.
