

MECHANICAL CHECK POLICY

Sandhurst Club requires a Mechanical Check to be conducted once a year by its licensed representative. The 2008/09 Mechanical Check must be completed by 30th July 2009.

A Mechanical Checklist will be presented to the owner and a copy forwarded to Sandhurst Club by the licenced representative. If the mechanical check is conducted by a company other than the licenced representative a mechanical checklist must be forwarded to the Club by the licence holder.

Prior to booking your service with ADE Turf Equipment you should check with your cart manufacturer to avoid any warranty issues.

If a mechanical check and/or servicing of your cart is required to be conducted by a company other than Club's licenced representative, the Club will reimburse your nominated House Account with \$40.00.

The Club must receive the following information to process your request-

- A written request for reimbursement stating –
 - Membership Number
 - Cart Registration Number
 - Cart Serial Number **and**
- A copy of your maintenance check report from your nominated company

If a Service is required the owner of the cart must provide proof to Sandhurst Club of all items completed with 30 days of Mechanical Check or the Club may revoke the cart operators certificate.

Changes to ownership of golf cart **must be in writing** to Sandhurst Club Ltd stating the golf cart registration number, purchasers contact name, address of the where the golf cart is to be located with in Sandhurst Club. If the sale is to a non Sandhurst Resident please state so.
