

## RESIDENT MEMBERS' COMMITTEE

Your Resident Members' Committee representatives are:-

Ian Dawson - Chairman

Elaine Roberts

Ann Frazer

Brenda Beekman

Gary Landy

Resident Members are reminded that the Committee carries no authority in the management of the Club, however the Committee is encouraged to act in its own right in formulating recommendations to Club Management and the Board. The three main activities of the committee are:

- Advising management and Board on Club and estate operations
- Communication between members, management and Board
- Mentoring new members

The Committee meets on the last Thursday of each month in the Clubhouse. Resident Members are encouraged to submit in writing items for the agenda 7 days prior to the next meeting. Submissions can be made by email to [residents@sandhurst.net.au](mailto:residents@sandhurst.net.au). Only items in writing and received 7 days prior to the meeting will be tabled. Once a submission is received the Committee will send an acknowledgement. Submissions will be tabled at the next meeting and a response sent with 2 weeks after the meeting. A Record of Meetings is available for viewing only in the Clubhouse upon request.

This Committee is representative of all property owners at Sandhurst Club and provides the forum for all Resident Members to present to the Club concerns, recommendations and general commentary that has a global effect on Club Living at Sandhurst. Items specific to individual Resident Members should still be presented to the Club via our Membership Services department [club@sandhurst.com](mailto:club@sandhurst.com).

Resident Members are invited to make yourselves known to the Committee.
