

RESTRICTION ON CARPARKING

Sandhurst Club is undergoing a comprehensive review on vehicle parking within the estate. We would like to take this opportunity to inform and remind all Residents of the rules regarding restriction on carparking –

Residential Code section 8.2

Park or allow to be parked on a Lot or any road or any other land within the estate any commercial vehicles (trucks, utilities, caravans, boats etc) unless vehicles are housed or contained within a carpark or garage on a Lot; Park or store any type of vehicle on your nature strip

The Club is offering an amnesty until 30 June 2009 for all members to comply. Please ensure all family members and guests are aware of the Club's rules with regards to parking.

To assist in parking of vehicles (non commercial) you may be eligible for constructing a parking bay on the nature strip adjacent to your property. All applications will be considered on an individual basis taking into consideration the location and surrounding areas. Not all applications will be able to be approved. There is no application or processing fees associated with this process. The construction of an additional parking bay will be the responsibility of the property owner. Please refer to the information sheets available on

http://www.sandhurst.com/Member%20Info/buildingahome_naturestrips.aspx

Queries regarding this matter can be forwarded to Membership Services on 8787 7011.

Sandhurst Club reserves the right to vary this information sheet at anytime as required without notice.
