

The Sandhurst Art Group, (SAG) has been formed by Sandhurst Resident Members with a view to promote the visual arts here at Sandhurst. Meetings are held monthly for interested Members to develop a program of events including art excursions (both in and out of Sandhurst) where we can pursue paintings, drawings and other image-making activities. SAG will also hold demonstrations of various art techniques to help members improve their own work and gain an appreciation of how various media can be used.

A major role for SAG will be to organise an exhibition at the clubhouse, on an annual basis, to display our work to the wider community.

Have you ever thought "I'd like to draw and or paint" here is your opportunity. We don't expect to unearth a Michelangelo we just want people who are interested and want to have a go. Sandhurst Members who would like to join us please register your interest at art@sandhurst.net.au

You will be made most welcome.
