CORPORATE GOLF DAY PACKAGES

1 JULY 2008 – 30 JUNE 2009

CORPORATE GOLF DAY PACKAGES

Sandhurst Club is a new state of the art golf facility boasting two Championship golf courses. The Club is fast becoming one of the countries most popular corporate golf venues with features including our \$15 million Clubhouse, fleet of 50 motorised carts, unlimited recycled water to ensure the course is lush and green all year, close proximity to the CBD (30 mins) with Eastlink at our doorstep and we are now home of the PGA of Australia.

The Club has a very experienced and professional corporate golf team which ensures all of your options are explored and delivered. Running so many events ensures the team is always flexible and is ever changing with new ideas to make your event more successful and memorable.

The Club is more than happy to tailor packages to clients needs. Nothing is ever too difficult for our team. We strive to impress and this is shown with our high level of service and event management skills.

If you have any queries on the following information or would like to arrange a site tour and discover more of what the Club can offer, please feel free to contact Matt Lang either by email – mlang@sandhurst.com or phone 0410 598 947.

We look forward to inviting you to the Club and delivering a wonderful day you and your colleagues will thoroughly enjoy.

Valid until June 30th 2009.
Minor changes to packages may be requested.*

VALUE ADD ITEMS

Corporate golf is all about leaving a lasting impression on clients and staff in order to achieve your objectives for hosting your event. Sandhurst can provide many extra features to enhance the events' style.

The PGA of Australia

Why not start the day with some tips from the very best. The PGA of Australia has access to the most up to date and advanced technology to assist in improving all facets of your game. From swing analysis to a comparison test to professional and celebrity golfers, the PGA has endless packages to add a special touch to any event.

Golf Professionals

By having a golf professional assisting you throughout the round can be very beneficial. Not only can you include his or her shot as part of your team, it is great to watch how professionals conduct themselves on the course and be in awe of some of the shots which to them are simply second nature. Contributing to the team via a nearest the pin or longest drive or playing an entire hole with a group is a terrific experience and add on for the event.

Discount prizes

The golf shop have many suppliers which specialise in discount prizes including trophies, apparel and equipment which may also be logoed to the companies or Clubs preference.

Promotional staff

Professional promotional staff are able to assist in many ways in corporate golf. Assistance with registration, co-ordinating themed holes (ie. wine tasting), extra drinks cart staff or simply assisting with the management of the entire event. We have contacts with many experienced staff which can add an extra touch of professionalism to the event.

On and off course competition ideas

The club has experienced and created many additional competitions apart from nearest to the pin/long drive events. Feel free to ask for ideas to value add for either fundraising or simply extra chances for players to win a prize

Branded scorecards

The Club is able to place company logos, pictures or literature on the scorecards used for events. This is another classy feature which adds to the day's experience and can also be a memento to be kept especially if your card is the winning card!

Photography

Why not keep a permanent record of the event by hiring a professional photographer. Group and individual action shots as well as a DVD to keep are all available through our contact.

Guest speakers

Through hosting many events in the past we have built relationships with a range of celebrities and comedians to speak at the beginning and/or conclusion of the event.

VALUE ADD ITEMS

Auction items

Many events include an auction as extra entertainment for the day. We are able to source many types of sport and celebrity memorabilia as well as local businesses who offer a range of services that can also raise money and provide the winning bidder with a great experience.

Signage manufacturing

Nothing looks better on the tees than viewing your companies logo with a professionally made sign. The uniform signs provide excellent exposure and are simple to place on course and also re-use.

Accommodation

After a long day on the course and some celebratory drinks, you may not feel like making your way back to your expected destination. The Club has special referral rates for guests at quality local hotels and apartments which can be very handy if the celebrations kick on further than anticipated!

Transport

Besides local taxis, local bus companies often assist with corporate events at the club. Pick ups and returns to and from the city is a breeze and good way to ensure guests arrive on time.

Post golf entertainment

Many guests may be interested in venturing elsewhere after the events conclusion. We have many terrific ideas on quality local venues to keep the day going as long as is desired.

If you have any queries on the following information or would like to arrange a site tour and discover more of what the Club can offer, please feel free to contact Matt Lang either by email – mlang@sandhurst.com or phone 0410 598 947.
